Surgery deposit policy

A \$50 non-refundable deposit is required to reserve a surgery upon scheduling. The deposit will be applied toward the visit on the day of your surgery. Balance is due the day of the surgery in full via credit card or cash. No personal checks. By leaving the \$50 non-refundable surgery deposit I agree to the terms.

No show policy for surgery day

Any client that does not show for the surgery will **forfeit** their deposit and will be required to leave a new deposit upon scheduling a future surgery. **No exceptions!**

I have read, understood, and agree to the non-refundable deposit policy
